

Caribbean

The Caribbean is the ultimate hang out pool featuring more seating than any other pool. Full width entry steps do double duty as a seating area and gives the kids a place to play. Mid pool you will find more seating followed by deep end exit areas on either side of the pool. All in all the Caribbean is ready to party.

- Features & Benefits -

- Smooth line design - Very landscape friendly
- Large pool length seating areas - Great for entertaining and relaxing
- 360 Degree access - Multiple orientation options
- Centered stair point - Allows left or right orientation
