

Billabong

Luxury Pools
& Living

The Billabong range may be the most organic freeform pool design ever created. The Billabong features a balance of smooth lines and gentle curves that are rivaled only by nature itself. Tanning ledges, wrap around seating, and inviting stairs make the Billabong great for entertaining and relaxing.

	Size	Shallow	Deep
Billabong Cove	35' x 16'	3'-4"	6'-5"

The Cove is the larger of the Billabongs and includes a larger tanning ledge, a deeper deep end, and true deep end seating.
